VI. Officer Reports	Position	Name	Report
	Advisor	Dr. Courtney Skiles	Good morning, everyone, and welcome to our final general assembly. I am feeling very sad but so proud and fulfilled after this week here together in Galveston. I cannot express the depth of my gratitude and thankfulness for this experience serving as advisor to the state board the past two years. This experience had been unforgettable for me but I am ready for a nap. I want to take a moment to recognize some very, very important people. Will our host school please stand. You all do know how excellent they are. They were here early, up late, running around, and have been the backbone of this convention. Being host school is a massive job, and Brazosport College set the bar SO high for everyone who will hold this position in the future. Brazosport College, THANK YOU for everything! I do want to explain a tradition that will take place at the end of this general assembly. Once we swear in our new officers, our new president will complete the rest of our agenda. While we usually do not entertain a motion to adjourn the meeting at the end of our assemblies, we do at this final one. In tradition, our outgoing president, Malak, will address the new president and motion to adjourn. The outgoing vice president, Youcef, will second the motion. I ask that we all respect this tradition and please do not approach the mic during this time. That is all I have for my final officer report. Thank you all. I yield the floor to Madam Advisor Elect.
