1. Good Evening TJCSGA, it has been a pleasure to connect with many of you throughout this convention. I would like to recognize our outstanding Workshop Presenters Roxanne Barrera, Brandon Aviado, Reyna Flores and Marisol Sanchez. Please give them a round of applause. Please stay tuned for Announcements for details on tonight's entertainment. This concludes my report.
- I. President Genesis Forman, Trinity Valley Community College - Athens
1. I want to make it aware that committee chairs can close the discussion floor at their discretion. It is not that we are trying to silence your voice, we are simply trying to make sure we get through the Orders of the Day in

a timely manner. If the General Assembly runs into Entertainment time, we will not expand Entertainment time. It will end at midnight whether we start on time or not. Additionally, I want to remind everyone that Constitution & Bylaws amendments require and $\frac{2}{3}$ vote. Therefore, every motion that is made will be a roll call vote. Finally, If your school is not listed on the roll call voting form. You do not have voting privileges because your dues were not paid on time, nor did you request an extension from the treasurer.
